### **PUBLIC INPUT NEEDED FOR THE \$2.32 MILLION LEVEE PROJECT**

WEDNESDAY, MARCH 8, 2023, BOROUGH COUNCIL MEETING

During the public input section at the beginning of our next regularly scheduled council meeting, comments and questions about 1) the **\$2.32 million levee grant**, and 2) a possible **playground grant** for the Anna McCarthy playground on Penn Avenue will be encouraged.

#### RECYCLING:

There was a contradiction on the recycling flier that was distributed last year about lids. To clarify: remove lids and caps.

#### GRASS CLIPPING PICK-UP:

Effective May 1, grass clippings will only be collected on Tuesday of each week. The containers containing the clippings may be placed at the curb Monday evening for pickup on Tuesday. The container for the grass clippings is to have a lid to prevent the clippings from getting wet in the event of rain. The filled container can weigh no more than 35 pounds or else it will not be collected. Grass clippings will not be picked up if placed in plastic garbage bags or paper bags. Grass clippings are not to be disposed of by placing them out for refuse pickup. The extra weight will increase the amount residents will have to pay for refuse collection. Residents are encouraged to use mulching mowers or create their own mulch piles. Grass clippings may also be disposed of at the DPW site on May Street.

Branches?

**SPRING CLEAN-UP DAY IN MAYFIELD:** Saturday, April 29. Meet at the municipal building on Penn Ave. at 9 AM. We will supply garbage bags and gloves. Watch the borough website for more details.

Garage?

Exit 5 development

Exit 6 development

24" gas pipeline parallel to pipe already in place along Casey Highway from Exit 5 to Exit 6 to be installed by UGI
